

THE BOARD OF DIRECTORS OF ORPEA HAS DECIDED TO MANDATE TWO LEADING FIRMS TO CONDUCT AN INDEPENDENT ASSESSMENT TO SHED LIGHT ON THE SERIOUS ALLEGATIONS MADE AGAINST THE GROUP

Puteaux, 26 January 2022

We are aware of all the elements of Mr Castanet's book, published today, and of his serious allegations which we treat with the utmost seriousness.

Consequently, the Board of Directors, in agreement with the General Management, announces that it has decided to immediately mandate two recognized firms to carry out an independent assessment of all the allegations reported in this book.

These two firms will have access to all information from ORPEA and its facilities which they deem necessary. Their names will be communicated in the coming days.

They will present their conclusions to the Board of Directors as soon as possible. These findings will also be made available to the competent Authorities and will be the subject of a communication.

We continue to affirm that at no time did the Group's management set up any system to orchestrate the practices of which it is accused.

We remain at the disposal of all the competent Authorities to respond to all their requests.

We would like to reiterate our commitment towards the families, residents and staff, whose concerns, incomprehension and pain over these allegations we understand.
