## *emeis* changes its organization

As the Group enters a new phase of transformation with a geographic refocusing, *emeis* is evolving its organization with a tighter management team.

Laurent Guillot will now directly manage the French business in addition to his duties as *emeis* CEO.

In this context, Fabienne Dulac, Deputy CEO, notably in charge of France, has decided to leave the Group and pursue other professional opportunities.

The Management Board and all *emeis* teams warmly thank Fabienne Dulac for her commitment, her experience in improving the Group's performance, and her support for our teams at a time of profound change in the care and elderly care professions.

The Board of Directors joins in these thanks.
